

Nat'l Donate Life - Gifts of Hope

Apr 1 2013

April is National Donate Life Month and Presence Saint Joseph Hospital has partnered with Gift of Hope Organ & Tissue Donor Network to encourage staff and community members to be organ and tissue donors.

More than 115,000 Americans are waiting for lifesaving organ transplants. You can be a part of the effort by visiting the Presence Saint Joseph Hospital Hospitals for Hope web page and showing your support for donation.

Even if you are already registered, we encourage you to visit our Hospitals for Hope website to reaffirm your donation decision and share why you decided to donate life!

Learn more about donation and share your decision at

Thank you!
