What/Why:

Calling all Registered Organ and Tissue Donors

Gift of Hope Organ & Tissue Donor Network is seeking registered donors in the Chicagoland area to feature in its upcoming public service announcement.

The comedic opera-themed, 30 second spot will air throughout the state beginning this summer.

All interested participants will show proof of donor status (i.e. driver's license, donor card, etc.) upon arrival. Unregistered donors wishing to participate will have the opportunity to register on-site.

Gift of Hope will also film a behind the scenes documentary short capturing the stories and motivation drivers behind organ and tissue donor registration.
